Court Technology Committee

ITV Criteria for Budgeting Purposes

1. **Criteria for New ITV**
    a. Are we trying to focus on Chambered locations?

    b. One per Unit per biennium isn't fair
        i. Formula or points system to factor in # or % of counties, chamber locations, courtrooms, & judges

    c. Potential for Use
        i. Location of other ITV's in the district
        ii. Is there a compatible ITV at a jail & are they willing to work with us?
        iii. Mental Health proceedings?
        iv. Committee work by ITV?

    d. County Infrastructure
        i. Is a new T1 line needed?
        ii. Is internet traffic light enough so a new line isn't necessary?

2. **Criteria to Replace Old ITV**
    a. Age of current system
        i. Does AVI have a ballpark for how long they will support a system?
        ii. Are other agencies upgrading their systems so we are no longer compatible?

    b. Documented Use
        i. Is there a usage log?
        ii. Does IT have some way to track usage?
        iii. Do systems have a use 'clock'?

    c. Is the system deficient in some respect (specify)

3. **Discussion for Conference Room ITV's in Larger Counties**
    If there are more than two judges, it is difficult to use ITV for meetings because the courtroom is not always available.

4. **Criteria for Portable ITV**
    a. One or more committees that meet by ITV
    b. One or more other uses
    c. Agree to send report as to use and function after one year
    d. Limited number to try (2?)
