So being he knew the Officer in the case pulled me in the hallway and told me Don't worry I'm having it dissmised, And my lawyer at the time Knew this. As you can see I am not an attorney, But I do have civil rights that pertect me from officers that act under the color of law, To harrass tax payers. I am open to oral argument when ever the court allows it, I think it would be most thoughtfull and honest to give me a
