Ten years ago the 2nd Adult Drug Court in the East Central Judicial District opened its doors.

Celebrate with us as we recognize 10 years of empowering participants to break the cycle of substance abuse and crime in their lives. Our participants secure housing and stable jobs. They pay taxes and contribute to our community in positive ways. Some go back to school and earn degrees. They reunite with their families and give birth to healthy babies. Drug Court restores bright futures to its participants by helping them develop the skills they need to succeed.

We hope you will join us for a special ceremony marking the 10th anniversary of our 2nd Adult Drug Court, thanking those who have supported our program over the past 10 years, and recognizing the many accomplishments of our past and present participants. When one person rises out of substance use and crime, we ALL RISE.
