Matter of Quilt
No. 20120176

Per Curiam.

[¶1] Stanton Quilt appeals from a trial court order denying his request for discharge from commitment as a sexually dangerous individual. Quilt argues the trial court erred in finding he has a congenital or acquired condition that is manifested by a sexual disorder, personality disorder, or other mental disorder or dysfunction; is likely to engage in further acts of sexually predatory conduct; and has serious difficulty controlling his behavior. We conclude the trial court's decision is supported by clear and convincing evidence, and we summarily affirm under N.D.R.App.P. 35.1(a)(2).
