**Corman v. State**

**No. 20120309**

**Per Curiam.**

[¶1] Ryan Corman appeals from an order summarily dismissing his application for post-conviction relief. In 2011, Corman was convicted after entering a guilty plea for failure to register as a sexual offender in violation of N.D.C.C. § 12.1-32-15, a class C felony. Corman argues the district court erred in summarily dismissing his application for post-conviction relief and he should have been allowed to proceed with his application and have a hearing in the district court. We summarily affirm under N.D.R.App.P. 35.1(a)(6).
