WSI v. Kemmet
No. 20210063

Per Curiam.

[¶1] Terry Kemmet appeals after the district court granted summary judgment in favor of Workforce Safety and Insurance (WSI) and denied his post-judgment motion in this collection action for unpaid premiums, interest, and penalties. Kemmet raises issues on appeal challenging, among other things, the court’s jurisdiction and its summary judgment decision. WSI asserts his appeal was untimely and summary judgment was properly granted. On this record, we conclude Kemmet’s appeal was timely, and we summarily affirm under N.D.R.App.P. 35.1(a)(1), (4), and (6).
