### **APPLICATION PROCESS OVERVIEW**

Administration of the February examination is dependent on 17 or more applicants. Application fees paid will be refunded only in the event of less than 17 applicants. The character and fitness investigative fee is not refundable.

The Board of Law Examiners uses the services of the National Conference of Bar Examiners (NCBE) to assist in conducting an applicant's character and fitness investigation. This is a very brief overview of the application process.

1. Applicant completes the application online, uploads supporting documents, and pays the appropriate investigation and application fees. Applicant makes arrangements for documents from third parties to be filed with the Board of Law Examiners. Applicant should encourage personal references and former and present employers to promptly respond to requests from the NCBE.
2. Applicant will receive a confirmation email from the Board when the application has been accepted for processing. Sometimes a request for further information will be made by the Board staff. Promptly respond to any request for absent or additional documentation.
3. Applicant may receive correspondence directly from NCBE requesting additional information.
4. Applicant will not receive confirmation that the character and fitness investigation is completed.
5. The investigation is not finalized until after applicant passes the bar examination.
6. Applicants granted permission to write the bar examination will receive confirmation of their eligibility to sit for the exam not less than two weeks before the examination.

**REMEMBER WHEN COMPLETING YOUR APPLICATION:**

**It is your responsibility to read and follow all instructions carefully. Failure to comply with any instructions may result in rejection of your application and late fees.**

- \* Each question on the application must be answered completely. Give complete addresses, including emails, street names and numbers, city, state, and postal zip codes.
- \* Criminal matters - include all adult charges – whether or not they were expunged. Upload the officer’s report, complaint, and disposition of charges to your NCBE account.
- \* Civil Lawsuits – upload the complaint and disposition documents to your NCBE account.
- \* Be honest. If in doubt about answering a question, err on the side of providing the information to the Board.
