Hon. James Morris  
Attorney General,  
Bismarck, North Dakota.

Dear Sir:

RE: State -vs- Bannon

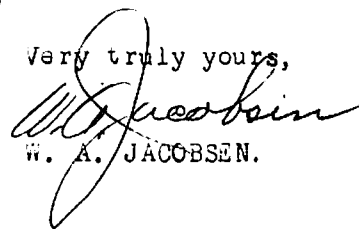

Many reports are being circulated regarding the Protection you are going to afford Mr. James Bannon during the time he is brought to this County for Preliminary Hearing, as well as for his trial.

Inasmuch as I am acting as his Attorney I am as curious as he is to learn just what foundation there is for these reports. He seems to be under the impression that he will receive the same excellent treatment as was meted out to his son Charles; you can readily see how he arrives at this conclusion.

Kindly advise me as to what steps, if any, you will take to see that this man is kept alive during the time he is in the county.

Thanking you very kindly, I beg to remain,

Very truly yours,

  
W. A. JACOBSEN.
