Good afternoon Petra,

I do not know if you are the person to be notified but I found what I believe are a couple of typos in the proposed N.D. Sup. Ct. Admin. Rule 58. Vexatious Litigation.

Line 13 reads "argument for an extension, modification, or reversal or existing law;" I believe the or should be of.

Lines 97 and 98 read "order issued under to this rule to the State Court Administrator" ... I believe the to should be deleted.

Have a great weekend,

Brad
