**Frazer v. Workforce Safety & Insurance**  
**No. 20120189**

**Per Curiam.**

[¶1] Pete Frazer appeals from a district court judgment affirming Workforce Safety and Insurance’s decision to deny Frazer’s claim for workers compensation benefits. Frazer argues the greater weight of the evidence shows he sustained a compensable injury arising out of and in the course of his employment. The district court judgment is summarily affirmed under N.D.R.App.P. 35.1(a)(5).
