Subject: Out of State Attorney

I request that the use of out of state lawyers is NOT approved by the Supreme Court of North Dakota. The people requesting this have willingly and knowingly broken our laws and have had no regard for Law Enforcement of any kind. They have gotten free reign to commit crimes and have not taken responsibility for their action, but to blame the Law Enforcement for their lawlessness.

Now they have the gall to ask North Dakota to bend or suspend our laws for them. They have gotten away with enough and if they want to use an out of state lawyer, the lawyer MUST go through the same process our lawyers have BEFORE they can take any cases in North Dakota.

It is only fair to the other out of state attorneys that practice in North Dakota as they have had to go through the legal process to obtain the right to practice in North Dakota. The same goes for North Dakota attorneys that practice out of state.

If you bend or suspend our laws for them, it will set a precedent and will open up many more issues in the future.

Thank you,
