Subject: Support Out-of-State Lawyers for Water Protectors

Dear Penny Miller,

I support North Dakota courts to allow out-of-state lawyers to represent Water Protectors for their trials.

The Water Protectors need to be given the right to bring their own attorneys from out of State. ND Public defenders are in short supply. The handful of attorneys in private practice supportive of this cause are maxed capacity.

They have out-of-state Native attorneys (and allied attorneys) willing to help, but need to be allowed to in order for fair trials before law.

Sincerely,

Ryan Seibold
