Subject: Allow out-of-state lawyers to represent Water Protectors for their trials.

Dear Ms Miller

I am asking that you allow for out of state attorney's to represent the Water Protectors during the upcoming trials. It is only fair.

Water Protectors need to be given the right to bring their own attorneys from out of State. ND Public defenders are in short supply. The handful of attorneys in private practice supportive of this cause are maxed capacity.

They have a slew of out-of-state Native attorneys (and allied attorneys) willing to help, but need to be allowed to.

Thank you
