Penny Miller, Clerk of the Supreme Court, Bismarck, ND

As a enrolled member of the sovereign Seneca Nation of Indians, I am requesting that out-of-state native attorney's be allowed fair legal representation on behalf of our water protectors in North Dakota on all issues concerning the protection of our nation's and states pure natural water sources against contamination of such. The corporation's involved in these aggressive actions by the DAPL and other contracted engineering projects have their own batteries of lawyers on tap for their greedy desires. We protectors of our remaining resources and sacred grave sites demand fair and competent representation by our lawyers from the whole country also. Thanking you for an equitable response.

Sincerely and Nya':weh,

Gary W. Shillingburg
