**Subject:** Comment in relation to out of state attorneys for forthcoming DAPL related trials.

Dear Sir/Madam,

I wish to express my support for allowing out of state attorneys to appear on behalf of arrested protestors.

This I feel would be in the best interests of justice being served.

The matter is obviously devisive but given the widely publicized video of at best questionable actions by law enforcement and the fact that many charges seem exaggerated the protestors should have fair and un-biased representation for their defence.

Yours

Gerry Dalton
