Subject: Native American petition

Dear Ms. Miller,

This email is to register my support for those Native Americans and/or Water Protectors currently bound to attend court. I request that they be allowed legal and administrative aid from outside ND so that they may use legal teams they trust but also to observe due process and maintain an unbiased and impartial system. These people have this far complied with the law and should be entitled to fair and adequate representation, avoiding any judicial prejudice, in adherence to the law.

Regards
