I respectfully request that you let our First Nation's peoples to be represented by any attorney willing to uphold the Constitution of the United States against the corruptness of the Dakota militant forces used against them, to allow any attorney whether practicing in the State of South Dakota, Florida or anywhere else in the United States to protect our First Nation's Peoples and their rights to peaceful assembly.... Our First Nation's people need to be represented by attorneys willing to stand up to the Court System and corrupt manuevers of our political and court system in the United States.....

Together we stand, divided we fall (fail)
