Subject: water protectors

To Court of ND att Penny Miller..

i ask of you to please allow the Water Protectors to have out of state lawyers reprecnt them in court..several people i concider fam was arrested and non of thoose are from North Dakota..they left their home, they fam, they buisness and job´s behind to come fight a course we all believe in, the right to clean water and protection of what is sagred to us..many people from outta state have people they trust and know who can represent them..please let them..

Happy holidays to you and your fam
