Subject: Allow out of state lawyers in NADPL trials

Dear Penny Miller,

I am writing in support of allowing out of state lawyers to defend the water protectors in North Dakota. ND Public defenders are in short supply. It would expedite matters to allow out of state lawyers to defend the Natives. Thank you

Isis Brenner-Ward

"We know, for a fact, that Helen Keller succeeded because Annie Sullivan presumed competence. Helen Keller succeeded because Annie Sullivan believed in her and gave her the gift of language without testing to find out if she was capable of learning that language first. " -Kate Ahern
