Ms. Miller,

I am writing to ask that you uphold the petition for all of the reasons stated in said petition. The actions of the state are deplorable and the abuses of human rights and constitutional laws meant to protect and serve The People being ignored is reprehensible. Allow the out of state lawyers to represent the Brave Water Protectors, these charges are trumped up at best and at worst, the reflection of years of broken treaties and genocide of a Noble People. I implore you to do the right thing....

Sincerely,
Shelley Giovannangeli
