Subject: Permit Temporary Provisions of Legal Services - Joshua Kim

Hello Penny Miller,

I (Joshua Kim) would like and wish that this temporary permit to allow out- of-state lawyers to represent those who are going on trial at the North Dakota Supreme Court. Those who are going on trial for standing up in solidarity against the Dakota Access Pipeline (Energy Transfer Partners and Morton County Police Department, along with numerous other police departments that were called to "aide" by the request and declaration of a State of Emergency from the Governor of North Dakota).

I, and many others, who are either emailing or mailing in their comments for the allowance of this temporary permit would greatly appreciate it. They deserve to have the ability to have appropriate legal services be provided to them.

- Joshua Kim

I wish you a happy holiday and hope that the correct decision is made. Thank you.
