Subject: Out Of State Attorneys

Dear Ms. Penny Miller;

I would like to ask your assistance in obtaining a fair trial for our water protectors. I understand the defense was denied a change of venue. The attorneys available to represent the defendants are stretched thin. Attorneys from out of state are willing to help.

I have faith that the majority of judges in North Dakota are fair and just. I would like to ask your assistance in keeping these trials as fair and just as possible. I know you have no control over jury selection. However, without the change in venue, allowing out of state attorneys will help to ensure our water protectors receive as fair and timely a trial as possible.

Thank you so much for your time,
Avianna
