Subject: As a Native American and Disabled Veteran/Patriot of our GREAT Country I expect...

....nothing more or less then equal legal representation for all our fellow Countrymen/women from where ever that legal representation may derive. North Dekota is still part of the union and as so "MUST" abide by our laws or cut loose and detach from our American protection, Tax dollars/funding and BRAVE it on your own. You do not have even a cake to eat with out us/USA. WE ARE ALL WATCHING YOU!
