Subject: lawyers for water protectors

Good morning Ms. Miller

It is the law to provide an expedited judicial process and to provide council for defendants. In order for the North Dakota court system to proceed with over 400 cases regarding events occurring near Cannonball ND in a timely fashion, I request that the State of North Dakota allow qualified lawyers from other states to represent the defendants. It is imperative that the accused receive proper council and also in a timely fashion.

Sincerely

Amanda White
Citizen of the United States
