Subject: Allow Out-of-State Lawyers

Penny Miller,

Thank you for opening to comments on the important issue at hand-- should water protectors be allowed out of state representation? My answer, my comment, is an unequivocal yes. Please, yes. They have allies across state lines ready, able and willing to give them the best possible representation. Please hear our voices reaching you today through emails, calls, and post. Please honor our requests.

With so much respect and hope,
Erin Gutknecht
