To the Justices of the Supreme Court of North Dakota:

I have been an attorney for 50 years. I understand the need for proper counsel for all defendants. I have been to Standing Rock and to the Oceti Sakowin Camp. There are competent attorneys there from across the country. They want to help. The local attorneys at the Camp are able to provide them with the information they need to provide proper representation.

I hope that this Honorable Court will see the wisdom in permitting out of state counsel to provide the representation they need to those arrested as a result of actions in and around the Dakota Access Pipe Line.

Respectfully,

Joel Weisberg
