**Subject:** From a CA attorney - please allow Pro Hac Vice admissions - major legal, cultural, moral and historical issues need full representation

To:  
Penny Miller, Clerk  
North Dakota Supreme Court

Pro Hac Vice admissions are common, everyday occurrences in all U.S. courts. The present situation, with the number of defendants and cases, is ripe for these admissions. To deny them would be to deny justice to hundreds of people, and would be a stain on the legal reputation of North Dakota. Please allow the willing, present and able attorneys to represent individuals in these important cases. Thank you.

I request that the North Dakota Supreme Court accept and approve the Petition to Permit Temporary Provision of Legal Services by Qualified Attorneys From Outside North Dakota.

Thank you,
