Subject: Re: Proposed amendment

Dear Ms. Miller:

As an American citizen of legal age, I support (and I urge my fellow Americans to support) this amendment which will make it easier for out of state lawyers to represent the Water Protectors.

These brave people are standing up to protect a threatened natural resource that is essential to our very existence.

May God bless all human beings who take action to preserve this Earth and our existence.

Thank you for your support.

Sincerely,
Diane E. Will
