Subject: Please open option for out-of-state support for Water Protectors

Dear Ms. Miller,

I would like to formally express my concern that many of the Water Protectors arrested in opposition to the Dakota Access Pipeline have not received adequate legal representation. I understand that this is because of a shortage of lawyers able to defend them in the state of North Dakota, conflict of interest, and because some Water Protectors' applications for court appointed attorneys were denied. In the interest of human rights and human dignity I ask you to use your power to open up the option for out-of-state legal help for this case.

Thank you,

Michelle Wurlitzer
