STATE OF NORTH DAKOTA

Due to the lack of public defenders you have an obligation to provide council and or allow them to seek help from of state. It is their right to have a fair trial. I'm afraid with the public comments being made by your prosecutors that will no longer be possible. I'm formally writing this request for him to step down.

The world is watching. Please show them there is still some good in the legal system. Don't screw them over, more people than you know are watchig.

Sincerely
