Subject: Comment regarding Rule change to allow temporary admission to practice

Good morning,

Please consider this letter support for the proposed rule change to allow out-of-state lawyers ease in gaining temporary admission to practice law in the state of North Dakota in order to represent Water Protectors. It is imperative that these individuals' Constitutional rights are protected, and allowing out-of-state lawyers to represent them will alleviate the burden to the Public Defender system. Therefore, I support the rule change as proposed.

Thank you for the opportunity to comment.
