To whom it may concern,

I support the petition to permit temporary provision of legal services by qualified attorneys outside ND.

I have watched the way the state of ND has and is handling the many protestors/protectors expressing first amendment rights. It is my sincere hope that this most basic of constitutional rights is fiercely protected.

I urge you to allow for fair representation from outside ND as it will show the world that the state of ND stands for civil liberty and justice for all.

Jennie Hoffmann
