Subject: Public input re: Out of state lawyers

Dear Penny Miller,

I am writing to you in response to the request for public input regarding Rule Amendments allowing out of state attorneys to represent persons arrested, protesting, protecting water and other various arrest charges. in North Dakota.

I am aware of the overwhelming burden the court system is suffering from. I support the Rule Amendments allowing out of state lawyers to represent persons that are in need of a lawyer. In addition, according to our judicial system, and constitution all persons arrested have the right to legal representation.

I respectfully appreciate your request for public input. Should you like to contact me, my email address is as follows:
