Subject: Comment on Petition to Permit Temporary Provision of Legal Services by Qualified Attorneys From Outside North Dakota

Dear Penny Miller Clerk and Whom it Concerns at North Dakota Supreme Court,

I am respectfully submitting a comment regarding a notice of comment posted by you on line on Dec 15, 2016. It is marked # 20160436.

The defendants related to the Petition to Permit Temporary Provision of Legal Services by Qualified Attorneys From Outside North Dakota need to be given the right to bring their own attorneys from out of State. Forcing them to use North Dakota appointed lawyers only would be illegal. There are have Canadians, Australians, etc. and Chiefs of Sovereign Nations with charges. The lawyers in North Dakota are very limited, some of them hostile towards these people's cause. Only using the limited number of North Dakota lawyers also leads to long delays or difficulty in proper representation because of the unusually large (over 500) number of cases and the low number of available North Dakota state lawyers. Please allow the ability to bring in lawyers to represent these defendants in a way that will allow for the speedy and fair trial that is their right by law.

Thank you for your attention and service.

Respectfully yours,
