Subject: Support

In the Matter of a Petition to Permit Temporary Provision of Legal Services by Qualified Attorneys From Outside North Dakota, I would like to go on record as supporting this effort. It has been clearly shown that the water protectors have been discriminated against, bullied and tortured by local authorities as well as hired mercenaries during their efforts to peacefully protest and are in desperate need of protection themselves. That help is available and needs to be allowed to insure adequate representation. Your consideration and approval of this is greatly appreciated.
