State v. Brakke

No. 20180275

Per Curiam.

[¶1] Ronald Brakke appealed from a criminal judgment entered after he was found guilty of driving with a suspended license. Brakke argues he did not receive notice his license had been suspended. We conclude there was sufficient evidence upon which the district court could find Brakke failed to rebut the presumption that the notice of suspension was delivered. We summarily affirm under N.D.R.App.P. 35.1(a)(3).
