My apologies if we missed the deadline for comment on this, but we would also like to recommend that this data be collected for all ages including juvenile court formal cases.

Subject: Support for the Collection of Race Data

Dear Ms. Hulm,

The Executive Committee for the North Dakota Dual Status Youth Initiative would like to voice our support for the adoption of a rule regarding collection of race data. We do track race as a demographic in dual status youth as it is recorded in the Court Management System. This data is reflected in our dual status youth interim evaluation report and will be released to the supreme court justices in the next few days.

Best Regards,
Jennifer Skjod
Dual Status Youth Coordinator
