Decker v. WSI
No. 20200014

Per Curiam.

[¶1] Tracey Decker appeals from a district court judgment affirming an administrative law judge’s decision that affirmed a WSI order denying further workers’ compensation benefits. Decker argues the greater weight of the evidence establishes his April 17, 2015, work incident is a substantial contributing factor regarding his current lumbar back condition. We summarily affirm under N.D.R.App.P. 35.1(a)(5).
