**State v. Jensen**  
**No. 20210098**

**Per Curiam.**

[¶1] Randy Scott Jensen appeals from a criminal judgment entered upon a conditional guilty plea to charges of unlawful possession of a controlled substance, unlawful possession of drug paraphernalia, and driving under suspension. Jensen argues the court erred in denying his motion to suppress because he did not give officers consent to search his vehicle. We conclude there was sufficient competent evidence capable of supporting the court’s finding that Jensen consented to the search of his vehicle. We summarily affirm under N.D.R.App.P. 35.1(a)(2).
